Grace Classical Academy

Worship Band*: Students will gather weekly to have jam sessions with fellow classmates, learning communication skills and growing in musicianship. (Logic & Rhetoric Course; Paid through GCA)

Life & Communication Skills: By way of class discussion, self-reflection through journaling, and in-class, small group exercises, students will work through what's in front of them (i.e., heavy course loads, busy schedules, conflicts in relationship) to learn skills like time management, goal setting, teamwork, communication, boundaries, conflict resolution, and good self-presentation. The heart of this course is to meld academic and personal skills in a practical and supportive way.
(Logic Course; Accepting Charter Funds)

Inspire Learning Academy

Worship Band*: Students will gather weekly to have jam sessions with fellow classmates, learning communication skills and growing in musicianship. (7-12th Grade Course; Private-Pay Only)

Choir: Students will gather weekly to learn original arrangements of contemporary music. Students will then showcase what they learn in a performance each semester. (7-12th Grade Course)

Group Ukulele: For beginning Ukulele players includes introductory chords, strum patterns and song performance to give students confidence in their abilities (4-6th Grade Course).

Dreams, Goals, and a Growth Mindset:
A self-reflective journaling class, guided by the instructor to help students cope with stress and learn problem solving techniques for the future. Use Big Life Journal for curriculum. (7-9th Grade Course)
